

Two full time open rank positions (Assistant/Associate/Full Professor) in Corporate Finance

FACULTY POSITION

emlyon business school invites applications for two **research focused positions** in **Corporate Finance**. We are looking for highly motivated candidates with demonstrated research excellence **in the mainstream corporate finance or closely related fields**. The appointment begins in **September 2025**.

The selected candidates will be attached to the **Department of Accounting and Corporate Finance** and are expected to actively engage, collaborate, and contribute to further the development of the existing corporate finance research team and to the activities of the related research centres (the list of research centres can be found under [this link](#)). Research-related responsibilities for full-professor positions include different commitments: participation to the scientific committee, search for funding providers, and research dissemination to a broader audience.

We embrace different research approaches and methods with a keen focus on quality in research.

Teaching opportunities will be at the **undergraduate level (BBA), graduate level (Programme Grande Ecole) and the master's level**. Teaching-related responsibilities include capabilities to design and manage courses in the areas of **corporate finance**. Teaching will be delivered mainly at our new campus in Lyon but can also be delivered on the school's other campuses.

JOB REQUIREMENT

We are looking for candidates with the following characteristics:

- Ph.D. / doctorate degree in **finance** or related area.
- Desire to collaborate in a collegial and dynamic research and teaching team.
- Evidence of research excellence in the field with demonstrated ability to regularly publish in the highest ranked journals of the field (e.g., FT list).
- An interest in developing collective research projects and raising funds for research.
- Desire and ability to support junior level researchers and/or supervise doctoral students.
- Proven capacity to take on courses' pedagogical responsibilities, including the ability to manage a portfolio of external lecturers.
- Energy, dynamism, and demonstrated personal/professional ethical values.

The candidates will contribute and will be evaluated based on three areas of activities: (1) research performance, (2) teaching and student supervision, and (3) institutional service (e.g., administration, service in committees, representation of the school in the media and events).

We strongly encourage people of all backgrounds (gender, ethnic background, nationality) to apply. **Fluency and teaching experience in English is required. French skills are welcome and candidates with fluency in French will be given priority**. The selected candidates shall relocate to Lyon at the inception of her/his contract. emlyon has set-up a relocation policy to support the moving process. Salary and conditions are competitive and will be commensurate with qualifications and experience.

THE SCHOOL

Founded in 1872 by the Lyon Chamber of Commerce, **emlyon** business school has an enrollment of over 9,260 students of 130 nationalities across four campuses worldwide (Lyon, Shanghai, Paris, and Mumbai). The School relies on a Faculty of 170 internationally recognized professors and researchers, and a network of 222 global academic partners, to provide learning tracks of academic excellence open to the world. The school runs a community of 45,000 alumni spread over 130 countries.

As a benefit corporation (société à mission) emlyon aims to “train and support informed leaders, throughout their lives, who are able to transform organizations efficiently for a fairer society and with greater solidarity and respect for the planet”.

The School's pedagogy closely links action and reflection. Skill hybridization and social responsibility are also at the heart of its training programs, where the best of both socioeconomic and academic worlds meet. The strategic plan, “Resonances 2028”, reaffirms the importance of the “maker spirit” that has been the DNA of emlyon since its creation. The plan is built around the five qualities expected of “makers”, emlyon students and alumni, to become entrepreneurs of change, namely: academic excellence; entrepreneurial spirit; engagement; hybrid knowledge; resonance with society.

emlyon business school is ranked among the top 100 best universities and business schools in the world in the latest Shanghai ranking. In the Management category, the school reaches the top 2 of the best French business schools in the Management category, and the top 3 in the Business Administration category.

THE ENVIRONMENT

emlyon business school is at the center of a vibrant ecosystem of large universities with excellent research teams in engineering, computer science, natural sciences, social sciences, and the humanities (see: <https://www.lyoncampus.com/en/welcome/lyon-a-city-of-innovation>)

Lyon is the second largest metropolitan area in France, with a long entrepreneurship tradition and a solid digital industry.

A full-time position in accounting, auditing & management control at assistant, associate, or full professor Level

FACULTY POSITION

emlyon business school invites applications for a research or teaching position in accounting, auditing and management control. We are recruiting for one position but are open to different profiles (teaching or research track) and encourage applications from highly motivated candidates with a track record of research and teaching excellence. The appointment begins in **September 2025**.

The selected candidate will be attached and collaborate with our existing team of professors and researchers in the Department of Accounting and Corporate Finance and in one of emlyon Research Centres (<https://www.em-lyon.com/faculte-recherche/recherche>) to grow and extend our research and teaching capacities in one or several of the following disciplines: accounting, audit, control. The candidate will join a team of professors and researchers whose research interests belong to the interpretive and/or critical traditions of accounting research, with a keen focus on qualitative research.

Teaching opportunities are offered at the undergraduate level (BBA), graduate level (Programme Grande Ecole and master's level) and executive/MBA level. Responsibilities for this position include capabilities to design and manage courses. Teaching will be delivered mainly at our new campus in Lyon but can also be delivered on the school's other campus in France (Paris).

JOB REQUIREMENT

We are looking for candidates with the following characteristics:

- Ph.D. / doctorate degree in accounting, audit, management control or related area.
- Desire to collaborate in a collegial and dynamic research and teaching team.
- For a research position: evidence of research excellence in the field of accounting, audit, management control with demonstrated ability to regularly publish in the highest ranked journals of the field (e.g., FT list)
- For a teaching position: evidence of past teaching experiences at different levels in management control, cost accounting and/or (non)financial accounting
- An interest in developing collective research projects and raising funds for research
- Desire and ability to support junior level researchers and/or supervise doctoral students
- Proven capacity to take on courses' pedagogical responsibilities, including the ability to manage a portfolio of external lecturers.
- Energy, dynamism, and demonstrated personal/professional ethical values

The candidate will be expected to contribute to and will be regularly evaluated based on three areas of activities: (1) research performance, (2) teaching and student supervision, and (3) institutional service (e.g., administration, service in committees, representation of the school in the media and events). Depending on the profile of the candidate (more research or teaching oriented) the emphasis between those three dimensions will be adjusted.

We strongly encourage people of all backgrounds (gender, ethnic background, nationality) to apply.

Fluency and teaching experience in English and French is required.

The selected candidate is expected to be based in Lyon or nearby area. emlyon has set-up a relocation policy to support the moving process. Salary and conditions are competitive and will be commensurate with qualifications and experience.
